It is the charge of the North Louisiana Fly Fishers to afford the general public and our members in particular, a better understanding of Fly Fishing, Fly Tying, and Rod Building. We wish to perpetuate the sport as a most pleasurable and exciting fishing method and provide education, instruction and the opportunities for relaxation to the membership.

The North Louisiana Fly Fishers (NLFF) Club serves the Ark-La-Tex area surrounding Shreveport. As the closest cold water fishery, we consider the Little Missouri (Little' Mo) River near Murfreesboro, AR our home waters. We also fish the local rivers and lakes. We even have a growing group of kayak fishermen that, as well as the local rivers and lakes, will fish the gulf coast marshes for some saltwater action!

We meet the second Tuesday of every month at the Red River Wildlife Refuge (150 Eagle Bend Point, Bossier City, LA). Meeting starts at 7pm but come about 6pm to visit, tie flies and practice casting when the weather permits. See you there!

WE ARE BACK!!!!

JULY 14TH will be our next meeting. We are excited to get back to seeing each of you again. The board met in May and June to establish the calendar for the remainder of the year.

This first meeting will be very special. Dennis North will speak at 6:45 on Crappie Fishing on Lake of the Pines. His message will provide information to learn more about Lake of the Pines and how to catch crappie year round.

BONUS

Starting at 6:00, we will have a drawing for TFO rods that the club purchased from Tom Jindra. NLFF purchased twenty-two rods in varying styles, weight, and length. Our purpose in purchasing was to pass the savings on to our club members. The club is not making money on the purchase of the rod. These are being sold at the cost we purchased them for.

For those wanting to purchase, we are going to have a selection process. To be fair, we will put our names in a hat (only one per person). The selected

name gets first choice of one rod. We will continue to draw until everyone has had an opportunity to select and purchase a rod. If there are more than twenty-two interested, well good luck. If the rod you want is picked you need to have another in mind or pass on purchasing something you are not interested in. This will give an opportunity to the next person.
