Fly Tying at Club Meetings

John Reisz ties a fly at December Club meeting

Bring your vise and equipment to club meetings

We encourage you to bring your vise and fly tying equipment to all club meetings. Tie during the pre-presentation time and tie throughout the meeting. We want to be a fly club that addresses all aspects of the sport; fishing, fly tying, travel, eating, and exploring. So bring your vise to the next meeting. If you would like to learn to tie flies, just let us know and we will provide instruction. We have all the equipment for you to use to get started.

Fly Tying at Bass Pro on January 21st

Come join us in the fly shop at Bass Pro on Saturday, Jan 21 at 10 AM. If you would like to learn to tie, this is the place to be. We will provide you personal instruction and provide all the material and equipment. Experienced tiers are encouraged to come and demonstrate how you tie your favorite fly.

Club Outing:

Frozen Chosen January 27 & 28, 2023

Make plans to join us for one of the most enjoyable fly fishing events the club hosts: The Frozen Chosen. This event is always the last weekend in January. Usually the weather is 70 degrees, but sometimes it can be quite cold.

Even if you don't fish, come on up to the Narrows Dam at Murfreesboro Arkansas. If you would like to camp, most folks utilize the campground at Dynamite Hill. It is located right next to SWAHA resort. If you prefer a cabin, SWAHA has a cabin to fit anyone's budget. But make your reservation early, the more affordable cabins get rented fast. You can look them up at swahacabins.com. You can call them at 870-285-2272.

We will have a potluck lunch at the pavilion at Riverside park just below the dam. At 12 noon on Saturday January 28th. The club will provide burgers and dogs. Bring a side dish. We always have a warm fire burning in the outdoor fireplace and hot coffee and coco brewing. Most folks fish Friday, Saturday morning, Saturday afternoon, and Sunday morning. We hope you can join us.

More info: Call Brett Rowell at 318-207-6097 or Scott Irwin at 318-469-0854

January 10th Club Meeting:

Ouachita River Fly Fishing Guide

Come hear of first hand adventures on the Ouachita River with Scott Letcher, a experienced fly fishing guide.

Scott Letcher will be traveling all the way from Hot Springs to speak at the North Louisiana Fly Fishers Club meeting on January 10th. Scott guides on many Arkansas streams, but especially enjoys the Ouachita River. He guides on all sections of the river, including very small water near the rivers headwaters.

Scott has one of the most cool river boats I have ever seen. It is a special treat to have such an expert fly fisherman speak to our club. We look forward to seeing you at 6 pm on January 10th for this unique club meeting.

Club Information:

Meetings:

The North Louisiana Fly Fishers meet the second Tuesday of each month at the Red River Wildlife Refuge. The address is 150 Eagle Bend Point, Bossier City, LA 71112. Meeting starts at 6 PM

You do not have to be a member to attend a meeting. Come check us out. All are welcome.

Fly Tying:

We tie flies every month except December. Our current location is at Bass Pro in the Fly Shop. We start at 10 am and finish around noon. If you know how to tie bring your gear. If you are new to the hobby, come join us. We will provide you a vise to use, all the materials you need, plus a personal fly tying instructor.

For more information call:
