## Fly Tying at Bass Pro

May 20th, 10 am

Everyone is invited to get together at Bass Pro and participate in a "group tie". If you don't need any flies, come and tie a dozen for the Mayfly Project. The Mayfly Project takes foster children fly fishing.

If you have your equipment bring it. If you need equipment, we will provide everything. If you are new to fly tying, we will provide you a personal instructor to have you tying your own flies.

We meet in the White River Fly Shop

### Bring your vise and equipment to club meetings

We encourage you to bring your vise and fly tying equipment to all club meetings. Tie during the pre-presentation time and tie throughout the meeting. We want to be a fly club that addresses all aspects of the sport,; fishing, fly tying, travel, eating, and exploring. So bring your vise to the next meeting. If you would like to learn to tie flies, just let us know and we will provide instruction. We have all the equipment for you to use to get started.

## Bream fishing with a fly rod

We are lucky to live in the South. Bream are everywhere, and they grow to trophy size. Catching bream on a fly rod (tenkara or traditional) is a real kick in the pants.

Come and hear Jamie Franklin lead a discussion on how to catch these fighters of the Arklatex with a fly rod.

We will also discuss favorite bream fishing locations around Shreveport/Bossier.

Fly tying, and casting practice at 6 pm

Presentation at 6:45 PM

## Flies and Fleas:

### Warm Water Club outing to Purtis Creek State Park in TX

This is a unique club outing. Most members arrive on Friday June 2 and depart Sunday June 4th. Some camp at the park. Some get hotels in Canton, Mabank or Gun Barrel City. You do not need a TX fishing license to fish the lake at Purtis Creek. Your admission to the park is your license. The lake offers excellent fresh water fishing with a flyrod. This is a great trip to take your spouse along. Many members spend an afternoon at the Canton Trade Days while attending this trip.. For more information contact Scott Irwin: 318-469-0854 or Steve Oliver 318-349-6411

---

### Ouachita River Trip

June 24th the club will embark on a escorted trip down the Ouachita River. Scott Letcher along with his partner Lester will guide us down a stretch of river with excellent smallmouth bass fishing. If you need a kayak, Scott Letcher can rent you one .

You must be a club member to go on this trip and sign the insurance form. The cost is non-refundable \$25. If the date is changed and you cannot attend you forfeit the \$25. The only circumstance that refunds will be made is if the trip is completely cancelled. Sign up at a club meeting. The exact stretch of river will be determined a few days before the trip. You will most likely need to camp or find accommodations somewhere around Mt. Ida AR. Approximate length of trip is 3 to 5 miles and will last about 5 hours. Contact Scott Irwin with more info: 318-469-0854

### Fly Fishing 101 Class

June 10th and June 17th John Scarborough will conduct a beginners fly fishing class. June 10th will cover the components of a flyrod and how to put one together. He will cover leaders and lines. John will cover basic knots, define the different types of fly fishing equipment.

On June 17th John will conduct a casting course.

Location: Bass Pro 9 AM both days. For members there is no cost to attend but please attend if you sign up. To sign up contact John at 318-464-8569
